5th Wheel, 36ft. 2011 Crossroads Cruiser, very nice RV, well maintained, everything works! Base NADA is \$14,500-\$17,450 on this camper, we need to sell quickly so asking below base NADA at \$13,900! This camper isn't the base model either, lots of extras, sleeps 6-7. Queen bedroom, 3 bunks and small couch in kid sleeping area, larger couch in living room, electric awning, outside radio, cold AC, two slide-outs, tires in good shape as well. Only reason selling is we bought to use as primary residence for our family of five when our house sold quickly, have now bought another home so no need for camper. Asking \$13,900. If interested, please call or text me at 256-605-3486.
