We've had a ball chauffeuring ourselves around in this converted 2016 Ford Transit 250 limo van. Now it's someone else's turn to roll in style with seven or eight of their closest friends. Plenty of custom upgrades aboard: Laser light show in the passenger compartment, Bluetooth stereo, front/back driver call phone system, full bar set-up with ice sinks and glass holders, and two 55-inch TV screens with a brand new mobile DirecTV antenna for video on the go or at your tailgate. She's less than 30K highway miles old, with a recent full service and tire rotation.
